“Jesus Brings Life!”
Fr. Rowel Jose (Arjay) Abanto

Jesus always touched others by His words and deeds. He brought not only physical healing but the whole self was restored. In our gospel this Sunday, again Jesus is touched by or himself touches someone ritually and ceremonially unclean but not only is Jesus not contaminated, the ones who had been contaminated to begin with are made holy and whole. He has crossed the boundaries that had once defined the community, has rewritten the rules, and so has revealed a new day. The woman with hemorrhage has reinstated her to fullness of life as Jesus is the resurrection and the life. Not only is she physically cured, but she is fully returned to a normal social life and can be fully integrated into her society. She is a whole person in every sense, individually and socially. But it was her deep faith in Jesus, symbolised by her merely touching the hem of his garment, which was a major factor in her healing. In the second story of the gospel, it talks about Jesus taking the hand of the little girl and says to her: Talitha kum, which means, “Little girl, get up!” And the 12-year-old girl immediately got up and walked around quite normally, as if nothing had been wrong with her. Whether she was dead or in a coma, she was restored to fullness of life, and Jesus is revealed as the Lord of life. No wonder that those who witnessed the scene “were overcome with amazement”. He is recognised as the Creator, the Conserver and the Final Goal of all that I am and can be, of all that we are and can be. This is also our prayer to Jesus as Lord of life that He may help us reach that level of health, wholeness and holiness like the two women. May we have the faith and trust like them as we approach Him everyday.

Happy Canada Day

As we celebrate Canada Day, our hearts overflow with gratitude for this land You have blessed. Towering mountains, vast prairies, and sparkling oceans – each a testament to Your majesty. We cherish the tapestry of cultures woven together, a reflection of Your boundless love for all.

We acknowledge the rich history etched upon this land, its triumphs and struggles. Grant us wisdom, like Mary's, to foster understanding and respect for all who call Canada home, building bridges of compassion across divides.

Bless our communities with the unwavering love of Your Son, Jesus Christ, and a fervent commitment to justice, as He embodied in His teachings. Grant wisdom to our leaders, inspired by the Popes, and strength to those who tirelessly work for the betterment of all, particularly the marginalized and the vulnerable.

May we, united in faith and nourished by the Eucharist, be a beacon of hope and peace for the world. May we share our abundant resources generously, following the teachings of Jesus Christ, our Lord and Savior.

Protect us from violence, discord, and the temptations that lead us astray. Help us walk a path of unwavering service, true to the values of Your Holy Faith. Grant us the courage to stand up for the sanctity of life and the teachings of Your Church.

In times of prosperity and hardship, may our faith be our guiding light, and the strength of our Catholic community, our solace.
